

NEWSLETTER

ONE-STOP SERVICE OF MULTIPLE TRADESPEOPLE

Happy New Year and welcome to the first JNS Electrical and Building Services newsletter of 2026. As we step into a new year, we'd like to thank our clients, partners, and team for your continued trust and support throughout 2025. The year ahead brings exciting opportunities and a renewed focus on delivering the high standards of service and workmanship you've come to expect from JNS. January is all about fresh starts, and we're kicking off 2026 with positive momentum – strengthening our team, building new relationships, and continuing to grow across the electrical and building sectors.

MONTHLY HIGHLIGHTS

BATHROOM FIT-OUT

BARN CONVERSION

GROUND FLOOR
REFURBISHMENT

Welcome back.

It's been great to welcome the team back after the Christmas and New Year break. We kicked off the year with a team meeting at the office, bringing everyone together to reconnect, refocus, and ensure we're all aligned for the months ahead. With plans reviewed, priorities refreshed, and everyone up to date, we're feeling motivated and ready to start the year on the same page.

New reviews

A great way to kick-start the year is receiving feedback like this from our clients. We're really grateful to everyone who takes the time to share their experience, as it means a lot to the whole team and helps us continue to improve.

If you've worked with us and would like to leave a review, simply pop over to Google, type in JNS Electrical and Building Services, and click on Reviews – we'd really appreciate it.

“ Having met the team at the Kent Construction EXPO I had a number of chats and Jon came over to review the scope of works. He was then able to send us a detailed quote where we could choose the bits we needed. The crew onsite were really polite, friendly and utterly professional (and super tidy!)

I would not hesitate to recommend JNS – in fact when we crack on with our extension I will be getting in touch with Jon

Bathroom refurbishment- Maidstone

We've completed the initial strip-out of this bathroom as the first stage of a full refurbishment for one of our client's properties. With the space now cleared, our team is able to carry out all the works required to transform the room – from electrical and plumbing work to tiling, fixtures, and finishes. We'll be sharing updates as the project progresses right through to the completed bathroom once the refurbishment is finished.

Barn Conversion, Kent

Nestled in the beautiful Kent countryside, our team has stripped out this barn as the first stage of a complete refurbishment. The space is now ready for us to transform it into a bespoke man cave for our client, combining style, comfort, and functionality. We'll be sharing updates as the project progresses, giving a glimpse into the journey from a cleared barn to a fully finished, personalised retreat.

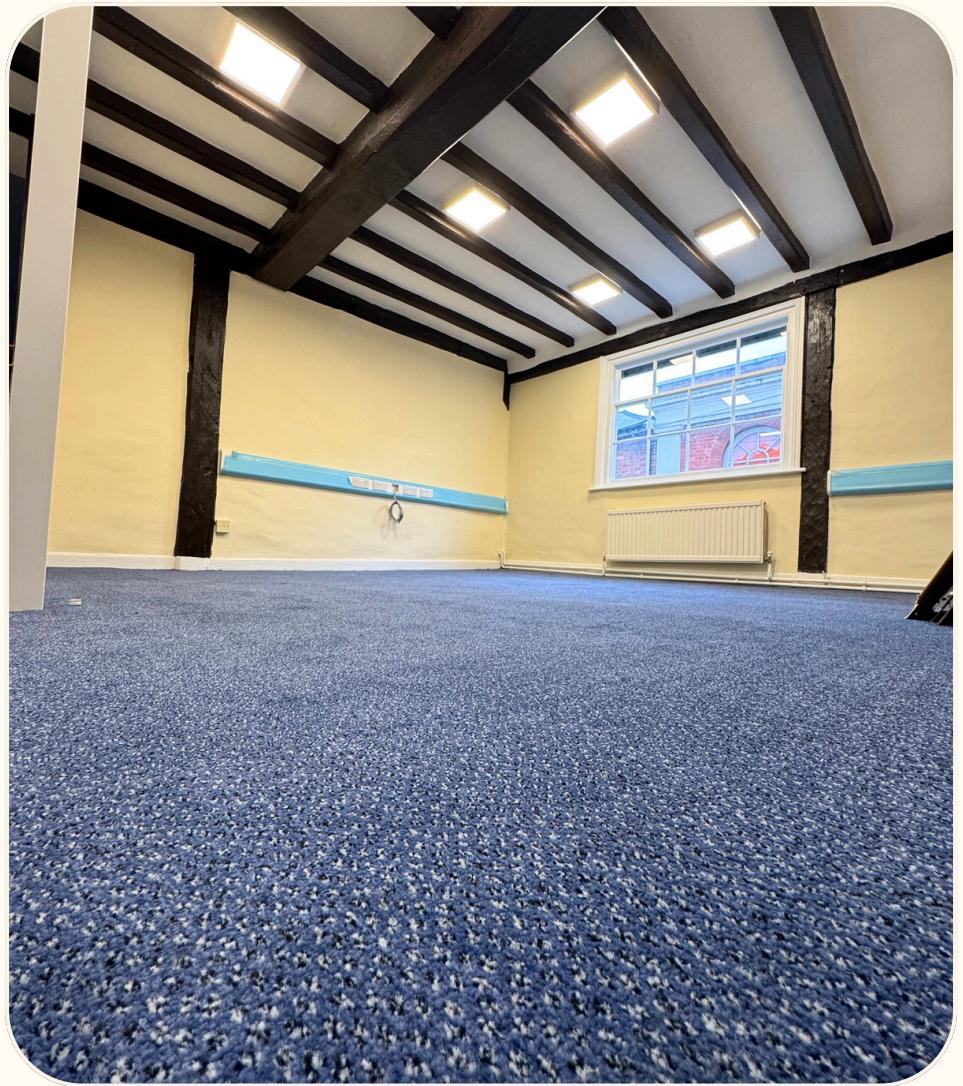

Follow us on our socials to follow the progress.

Office Fit out- Tenterden, Kent

Exciting progress on the office fit-out in Tenterden! This historic building, formerly a retail facility, is being transformed into new offices for Burfields House Wealth Management Ltd.

Our skilled team of tradespeople have been hands-on across every stage of the project, working together seamlessly to keep the refurbishment moving at a great pace. It's fantastic to see this historic space gradually coming back to life as a modern, functional office environment. Finished result coming soon.

Ground floor refurbishment, Maidstone

We're pleased to have completed a large ground floor refurbishment, with the final finishing touches now in place and our client already enjoying their modern, spacious home. The transformation has created a range of thoughtfully designed living spaces, including a cinema room, sensory room, open-plan kitchen diner, utility room, living room, and larder. It's been rewarding to see the project come together and to know the space is now being lived in and enjoyed as intended.

WELCOME TO THE TEAM

Daryl Andrews

Business Development Manager

We're delighted to welcome Daryl Andrews to the JNS team as our new Business Development Manager. With over 25 years' experience delivering high-quality customer service across the office, leisure, and educational refurbishment sectors, Daryl brings a proactive approach, strong attention to detail, and a genuine commitment to exceeding client expectations. He prides himself on building trusted, long-term relationships founded on clear communication and mutual respect, and enjoys working closely with clients to understand their needs on a personal level. We're excited to have Daryl on board and look forward to the positive impact he will bring as we continue to grow and strengthen our partnerships.

We are hiring!

Join the JNS Team.

We're currently looking for full-time Electricians to work across the residential and commercial sectors. If you're seeking a permanent role within a growing and professional company, we'd love to hear from you. Please get in touch with the JNS team for more information.
